Subject No. 166.

Location of the Education, Police and Military offices at Mysore.

Summary of discussion.—His Highness the late Maharaja's wish that the Education, Police, Military and other offices should be located at Mysore, may be given effect to.

Reply of Government.—Noted.

Subject No. 167.

Extension of the State Life Insurance System to Shanbhogs and Patels.

Summary of discussion.—The system adopted for the Insurance of the lives of Government Officers may be extended to shanbhogs and patels.

Reply of Government.—Referred to the State Life Insurance Committee.

Subject No. 168.

Grant of Scholarships to Lingayets from the Brijilal Dass Fund.

Summary of discussion.—Government may be pleased to grant some scholarships to Lingayets, as in the case of Gujaraties, from the Brijilal Dass Charity Fund. A certain member of the Lingayet community had a claim to more than $\frac{1}{4}$ of the money, though the special Court did not investigate and award it.

Reply of Government.—This is a representation based on an alleged personal claim to a portion of the debt due to Brijilal Dass and as such is not a matter for representation at this Assembly.

Subject No. 169.

Improving the breed of Ponies and Donkeys.

Summary of discussion.—The system of improving the breed of ponies and donkeys at Government expense obtaining in Her Majesty's territories may be adopted in Mysore.

Reply of Government.—A Committee has been appointed and their proposals are awaited.

Subject No. 170.

Increase to the pay of Officials in Civil Courts.

Summary of discussion.—The pay of the officials in the Civil Courts may be raised.

Reply of Government.—This is a question entirely for Government to decide.

Subject No. 171.

Fencing villages.

Summary of discussion.—Raiyats of every village may be ordered to fence their village, by means of *Siye* plants and Sandal trees, as it would be beneficial to both the Government and the people.

Reply of Government.—Noted.

Subject No. 172.

Increasing the mileage rate for carts from one and half to three annas per mile.

Summary of discussion.—The present rate of $1\frac{1}{2}$ annas per mile, for carts hired for the use of Government, was fixed many years ago, and may be increased to three annas per mile, owing to the rise in price of food grains, &c.

Reply of Government.—Under consideration.

Subject No. 173.

Re-printing the Revenue Code and Rules with amendments.

Summary of discussion.—The Revenue Code and Rules have undergone many changes during the past few years. It is prayed that English and Kannada copies of the Code and Rules be republished with all amendments up to date and made available for the use of the public and of candidates appearing for the Local Service Examinations.

Reply of Government.—Will be expedited.

Subject No.174.

Sale of Amrit Mahal bulls for the use of raiyats.

Summary of discussion.—To improve the breed of country cattle, arrangements may be made to sell Amrit Mahal bulls to raiyats at each Taluk Head-quarters.

Mr. Vasudeva Rao of Chikmagalur Taluk represented that they are not now sold though there are orders in the matter.

Reply of Government.—To the Amrit Mahal Officer for enquiry and needful.

Subject No. 175.
(a) Travelling allowances to Taluk officials.

Summary of discussion.—(*a*) The Amildar and his establishment may be allowed travelling allowances while on circuit.

(b) Batta to the Malnad Taluk officials

Summary of discussion.—(*b*) Travelling in the Malnad being difficult and expensive, it is requested that Taluk Officials in the Malnad may be allowed batta for travelling within the taluk, like the officials of the Public Works and Education Departments.

Reply of Government (*a*) and (*b*).—Noted.

Subject No. 176.
Transfers of District officers.

Summary of discussion.—Transfers of District Officers should be made regularly once in three years for the better administration of the district and also for the good of the people therein.

Mr. Hoskote Ramanna and several other members were not in favor of such representations being made in the Assembly.

Reply of Government.—This is an administrative matter and the sense of the Asssembly is that the member discussing the subject is not in order.

Subject No. 177.
Grant of appontments to passed candidates.

Summary of discussion.—Persons who have passed examinations cannot all find employment in the Education Department and it is therefore requested that they may be given appointments in other departments.

Reply of Government.—Noted. Government cannot provide all passed candidates with appointments.

Subject No. 178.
Introduction of American and English ploughs.

Summary of discussion.—Arrangements may be made for the ordinary iron ploughs manufactured in America and procurable at a price of Rs. 15 each being used by raiyats in Mysore in order that they may improve the present methods of agriculture and avail themselves of the larger benefits derivable therefrom.

Reply of Government.—Noted.

Subject No. 179.
A Laboratory for the Agricultural Chemist.

Summary of discussion.—A laboratory may be fitted up for the use of the Agricultural Chemist.

Reply of Government.—The Agricultural Chemist has applied for a building and apparatus. The matter is under the consideration of Government.

Subject No. 180.
Establishment of an experimental coffee nursery.

Summary of discussion.—With a view to improve the coffee plant, and, if possible, to establish a new and healthier strain, an experimental nursery may be established. Private enterprise cannot do much in the matter and Government help is needed.

Reply of Government.—The scheme proposed will receive consideration in due course.
